

### Enfamil® Gentlease™ LIPIL®

LIPIL is a blend of the nutrients DHA (17 mg/100 Calories) and ARA (34 mg/100 Calories).

DHA and ARA are also naturally found in breast milk and are important building blocks for a baby's brain and eyes.

Experts agree on the many benefits of breast milk. If you choose to use infant formula, ask your doctor which Enfamil formula is best for your baby.

Enfamil Gentlease LIPIL is an easy-to-digest infant formula that has partially broken down cow's milk proteins and reduced lactose (approximately ¼ the lactose of a full-lactose, routine, milk-based formula). It's easy-to-digest, balanced nutrition for baby's first 12 months.

We are here for you. Call us toll free at: 1-800-BABY123, 8 AM to 4:30 PM Monday-Saturday, Central Time. Or visit our web site at [www.enfamil.com](http://www.enfamil.com)

### Easy Directions for Preparation & Use

Your baby's health depends on carefully following these directions.

Ask your baby's doctor about infant formula use including the need to boil water for formula, bottle and nipple assembly.

Pour desired amount of warm water into bottle. Add powder, cap bottle and shake vigorously.

Use the following chart for correct amounts of water and powder.

To Make	Water	Powder (Use scoop enclosed to measure powder)
2 oz bottle	2 fl oz	1 unpacked level scoop (8.6 g)
4 oz bottle	4 fl oz	2 unpacked level scoops (17.2 g)
6 oz bottle	6 fl oz	3 unpacked level scoops (25.8 g)
8 oz bottle	8 fl oz	4 unpacked level scoops (34.4 g)
1 quart	29 fl oz	1 level household measuring cup and 2 level tablespoons of unpacked powder (124 g)

**Warning:** Do not use a microwave oven to warm formula. Serious burns may result.

Feed immediately, or cover and refrigerate prepared formula. Use within 48 hours. Throw away prepared formula left in feeding bottle or cup within one hour after feeding begins.

**Storage:** Store cans at room temperature. After opening can, keep tightly covered, store in dry area and use contents within 1 month. Do not freeze powder or prepared formula. Avoid excessive heat.

USE BY DATE ON CAN END.
